News Issue 2020-08-12

### COMMODORES NOTE:

I would like to thank everyone for being patient with us while we navigate this difficult time during COVID. We have tried to maintain as many activities as possible, but obviously most of our social events are just not feasible.

**Sunfish Update:** The board is actively trying to work out a plan to have some type of Sunfish Race this year. We probably will not be able to do it over Labor Day weekend, but we are making every effort to put something together.

### EVENT RECAP- June 6<sup>th</sup> LYC Summer Race II

Started with what looked like would be a nice day for sailing. The there was no wind and then there was a squall. Race abandoned!

### EVENT RECAP –June 20<sup>th</sup> LYC Founders Regatta

The evening prior to the race- two boats had some major issues and luckily everyone is okay (except for maybe Dan's boat). It's worth looking at the pictures of the race and the boats [here](#). Larry and Tom were 1<sup>st</sup> and 2<sup>nd</sup> respectively in a very tight race. There were some excellent starts and Getaway got away with 3<sup>rd</sup>.
